re: Accredited Training Organization Approval

Dear Mr. Shore,

Congratulations! Your organization has successfully met the requirements of the International Association for Six Sigma Certification to be designated an Accredited Training Organization for your Green and Yellow Belt program. This accreditation is issued for a period of two years from the date of this letter.

This accreditation says to the world your training program meets the standards established by IASSC such that those who participate will be given the full opportunity to achieve certification as Lean Six Sigma practitioners by IASSC.

Please respect this achievement and assist in IASSC maintaining meaningful, high standards. In that regard please utilize the attached IASSC Marks in a manner consistent with the IASSC Marks Usage Policy and follow the procedures described therein.

Best wishes,

Robert E. Shank
Managing Director
